SJHHS Theatre Arts Conservatory Auditions

When: April 28th, 29th

E-mail Clbeilstein@capousd.org for Appointment!

Interested in being a part of the SJHHS Performing Arts Conservatory Program?

What is it? - A program created to assist high school students in being prepared for either a career in the arts or a conservatory/collegiate program.

Areas of Declaration: Theatre Arts, Musical Theatre, Technical Theatre

What does it require? - Like majoring in college, the students are required to complete a certain amount of classes before they graduate, as well as meet discipline specific benchmarks in their growth through the program. These benchmarks can include but are not limited to outside auditions, learned skills, volunteer commitments, and participation in after school productions. It also includes GPA and citizenship requirements. Each discipline has specific requirements due to vastly different specializations.

How do I learn more? - You can e-mail an instructor, or set up a meeting with them in person. If you are interested in a conservatory program please e-mail the following:

Ms. Beilstein: Theatre Arts Clbeilstein@capousd.org
